Are there any restrictions on cover?

- ! If the vet fee limit is reached during the policy year, no further treatment will be covered in that year. The vet fee limit will refresh each time you renew.
- ! You must pay the excess towards claims for vet fees once per condition per policy year. Claims for ongoing treatments will have an excess applied each year.
- ! You must pay a £250 excess for any property damage claim.
- ! Once your dog reaches the age of 8 or your cat reaches the age of 10, you'll have to start paying either 20% or 35% of the vet fees every time you make a claim. This is known as a co-payment and the amount will be deducted from your vet fee limit.
- ! If your pet has a condition affecting a body part of which your pet has two, this will be considered as one condition.
- ! We will not pay for the death of any pet from illness once a dog reaches the age of 8 years and over or a cat reaches the age of 10 years and over.
- ! If your pet passes away, you will need to provide proof of the amount you paid for your pet.
- ! Any claim for cancelling or cutting short your holiday for anyone other than the policyholder.
- ! You will need to notify the dog warden, local rescue centre and your vet within 48 hours of discovering your pet has been lost or stolen and contact us before offering a reward.
- ! We will not pay a reward to a member of your family for finding a lost pet.
- ! We will not pay for any clinical diet treatment other than when prescribed to treat bladder stones.
- ! We will not pay for any claim for damage caused by your pet to personal property belonging to you, members of your immediate family or by someone who works for you.
- ! We cap some vet fees at the market average cost.
