What is this type of insurance?

This product meets the demands and needs of someone wanting help paying vet bills for treatment until the condition limit is used for that accident, illness or condition. This product may not provide full coverage against vet fees but is likely to provide a contribution towards the cost of a claim. Our Max Benefit pet insurance policies offer cover for accidents, illnesses and conditions. Your product does not have an annual limit, which means you can claim for an unlimited number of different conditions or injuries in the same year. Instead, your product offers a per condition limit, which means you have a set amount to spend on each injury, illness or condition.

- ✓ If your pet passes away, we will pay a percentage of the amount you paid or donated for your pet up to £500. If you have a dog over 8 years and 1 day or a cat over 10 years and 1 day, we'll only cover deaths as a result of accidents.

Are there any restrictions on cover?

- ❗ Once you have used the full condition limit you won't be able to claim for that condition again – even if you renew. At the renewal after the condition started, we'll add an exclusion to your policy.
- ❗ You must pay the excess towards claims for vet fees once per condition.
- ❗ You must pay a £250 excess for any property damage claim.
- ❗ Once your dog reaches the age of 8 or your cat reaches the age of 10, you'll have to start paying either 20% or 35% of the vet fees every time you make a claim. This is known as a co-payment.
- ❗ If your pet has a condition which affects a body part that your pet has on each side of their body, this will be considered as one condition.
- ❗ We will not pay for the death of any pet from illness once a dog reaches the age of 8 years and over or a cat reaches the age of 10 years and over.
- ❗ If your pet passes away, you will need to provide proof of the amount you paid for your pet.
- ❗ You will need to notify the microchip company and your vet if your pet has been lost. If your pet is stolen you'll need to notify the microchip company and the police.
- ❗ We will not pay a reward to anyone you know personally for finding your lost pet.
- ❗ We'll pay a maximum amount for some of the items most commonly claimed for under Section A: Vet fees.
- ❗ Your premium is likely to increase at each policy renewal. Several factors can affect your premium for example the age of your pet, previous claims, where you live, the cost of vet fees and the excess that applies to your policy.
